## President's Message

Wow, I don't believe it, the Pat's...Eighteen and One. Sometimes not everything goes the way you think it will. However you have to hold on to the good times and looking forward we have many of those in our future.

We have several really great events to be recognized since the New Year. One was the St. Brigid's Day celebration on 2/2/08. The hall was packed with many families celebrating the children's program, then mass, a light dinner and then a Ceili. It was nice to see all of the future Hibernians coming to celebrate together. This event grows year after year and brings the Hibernians and the Irish Pastoral Center groups together to celebrate our heritage and culture.

Also on Saturday, February, 23, 2008 we also had a remarkable event at the Hibernians. Many people came together to help the Connolly family and particularly Maureen with some tools to make her life a bit more comfortable. It was very rewarding to see all the people that supported this cause.

Everyone talked about how full the hall was and how it looked like the old days. Well, it is not the old days. This is here and now and it shows how vibrant this division is. We came together as a group to make the fundraiser a success. Desi McElroy put together a group of brothers and sisters that worked very hard. This involved much planning, discussing, selling of tickets and raffles and securing items for the auction. We got help from many brothers and sisters in many different ways.

## **President's Message (continued)...**

Everyone pitched in to help wherever needed. There were too many people to name here, but those volunteers are the core of our organization, the AOH, and LAOH.

Thank you to each and every person who made this fundraiser successful. Although thank you doesn't tell the story, I hope everyone who helped got a sense of accomplishment but more so a feeling of satisfaction that words can not describe. I felt it and many others talked about the same feeling.

At one time during the event, I was asked to say something for the video recording that was being made. I'm not sure exactly what I said; but when I finished a fellow brother high fived me and said, "That's what it is all about."

It is with this spirit, I ask our membership to help us continue our work. Come be an active participant and realize that you too can make a difference. Call me, come to a meeting, and join a committee to see how a few hours of your time will help us to continue our charitable ways. New members will be receiving notification of their committee assignments shortly so that you can get started right away. Spring is such a busy time for us. Let's come together and plan for our future.

Thanks, Leo Falter, President

# St. Patrick's Day Parades

Some people are asking what we should do for St. Patrick's Day. So here is the general plan right now but we are definitely open to suggestions and assistance to make the St. Patrick's weekend a success.

On Sunday, March 16<sup>th</sup>, we'll be marching in the South Boston parade. Anyone who would like to march should meet at the club at 11:30 am. Transportation will be provided to the parade if we can coordinate the marchers ahead of time. Please contact Leo Falter at 617-926-3315 if you and your family etc. will be marching.

After the parade we will return to the club to join the Irish Dance Group for music and corned beef sandwiches. The Hibernian juniors may be having a bake sale that day too to raise \$ for our annual Relay for Life drive for American Cancer. So come on down and join us for some fun.

Some brothers have also expressed interest in marching in other parades. The list of parades can be found in the upcoming events section of this newsletter. The parade that most people expressed interest in is in Holyoke, MA on 3/30 at 11:50 am. Paul Hogan from Div. 1, Holyoke, brought his float to our Memorial Day parade last year so we thought it would be great to share in their festivities this year. If anyone is interested in marching in any of the parades please contact Leo Falter at 617-926-3315.

On St. Patrick's Day we will be playing Irish music and have light refreshments. So stop by the club and have a pint with your fellow brothers and sisters. Everyone is always Irish when it comes to St. Patrick's Day but only a true Irishman knows how to celebrate!
