MAY 2009 NEWSLETTER

President's Message

I hope everyone had a holy and happy Easter. Our Holy Thursday adoration at St. Patrick's church went well and everyone that participated got to experience how special a night it really can be. Thanks to all for your support.

As we head into May it is always a good time to enjoy the nice spring weather. It is also time for our building spring clean up. We have many opportunities for our brothers to volunteer and help us out in cleaning the yard and building. This is a great chance to also spend time with your sons and daughters and help them get that community service time for school or church.

Another great community service project could be volunteering at St. Patrick's Food Pantry. The Food Pantry especially needs the help in unloading the Post Office trucks after the Food Drive on Saturday, May 9th. If you cannot help at the Food Pantry, please be sure to donate what you can to the Food Drive. Your mail carriers will be picking up non-perishable goods for this drive and the food will be given to our great local resources. So it is nice to be able to help out local charities where we can.

Our kick off to summer is planned for Memorial Day. We will be joining the parade and then going back to the hall for a cookout. The LA.O.H. will also be having a bake sale at the cookout to help raise funds for our Hibernians Relay for Life Team and the Catholic Television Mass. So please bring your friends and families, have some lunch and help support these great charities.

(CONTINUED ON NEXT PAGE)

Memorial Day is always a big event for us and it would be great if we had a good showing of marchers. This is a perfect family day to get involved. We need help for this to be a success. It is a day that we need to divide and conquer to get everything done. If you can help in any small way (i.e. help set up/cook, drive marchers to and from the parade route, etc.) any help will be greatly appreciated. If you are available to assist in any way please give me a call at 617-926-3315.

We have many more events to keep us busy in June. See the schedule of events below. We will be having our Communion Breakfast and a great fundraiser through our Food Tasting evening in June. Let's show our support in these important events and don't forget our economically stimulating Saturday nights.

-:Leo Falter, President
