SEPTEMBER 2008 NEWSLETTER

President's message

I hope everyone had a good summer. The summer was a busy time this year. We had a successful golf tournament to kick off the summer despite the low number of golfers.

Several of us also went to the convention in New Orleans in July. The days were full of business and we had a few nights of fun too. Division 14 fully supported Jack for his re-election run; but the odds were not in our favor this time around.

Unfortunately a few of our members passed away over the summer and we conducted the rituals for them. At our next meeting we will be saying a special prayer for all of our recently departed.

We are now into a full swing of activities at the club (events, meetings, family suppers, etc.) I urge you all to attend meetings and support our endeavors.

President Leo Falter

## **Do You Just Belong**

Are you an active member or are you just contented that your name be on the list?

Do you attend the meetings and mingle with the flock?

Or do you meet in private and criticize and knock.

Do you take an active part to help the work along or are you satisfied to be the kind that just belongs.

Do you work on committees?

To this there is no trick or leave the work to just a few and talk about the click.

So come to meetings often and help with hand in heart.

Don't be just a member but take an active part.

Think this over members you know what is right from wrong.

Are you an active member or do you just belong?
