OCTOBER 2009 NEWSLETTER

President's Message

Wow are the months going fast or is it just me? It seems like I just got a bulletin out and now its time for another one. Talk about not having enough time to do things. Well I guess we all have hectic lives these days. As we said in the 70's ``Keep on Trucking ''.

I want to thank all the brothers who sent in their surveys. If you have not sent it in yet, I ask you to take the time and get it done. This important information will help us conduct our division business much more efficiently. The survey is now on the website www.aohdiv14.com. Please fill out the survey on line as it will be easier to analyze the information. We have received a lot of interesting comments already, so keep them coming.

On a personal note, my family and I want to thank everyone for their kind thoughts and prayers regarding the loss of my father. My father had many great times at the Hibernians, so we will continue to celebrate here with the same great spirit that he showed us.

Looking forward to seeing everyone at our upcoming events this month.

~Leo

Communion Breakfast

On Sunday June 7, 2009 we had our communion breakfast after the 10:00 mass at St. Patrick's church. This event is a hard one to plan for because we never know how many people will show up. This is why we always ask people to buy tickets in advance. Pat Breen did a good job of putting this together. The numbers were down a little so we had a lot of food left over. We were able to give the remaining food to all the shelters in the area. John Horrigan also did a terrific presentation on some Irish history. John is a member of Div. 14 and his willingness to help us is commendable. Thanks to Pat, John and everyone else who helped make this event a success.

John Boyle O' Reilly Memorial

The memorial was held on June 20, 2009 at Holyhood Cemetery in Brookline. This year we had the biggest turn out that we have had in recent years. So big that we had to go out and get more food. Thank goodness for Stop & Shop being right next store. I want to thank all the people that helped make this day enjoyable for all. A special thanks to the people who took care of the food situation. I could not be there that day so I appreciate the fact that someone was there to take the bull by the horns so to speak. Thank-you!

Food Tasting

Our June food tasting event was great! Desi spearheaded a great group of volunteers for this event. We had some new restaurants this year so it added a different feel for the night. Also having a band just seems to heighten the evening's fun. The Brothers of August played to a very enthusiastic crowd. It was great to see and hear the audience participate with the band. After our show did you see The Brothers of August in the Tab on their way to a national tour? Good luck to them. This evening showed that having more than enough volunteers can really make an event successful while still having fun. Let's not forget all the time-consuming work that Desi and his crew did. Great Job!!!! Thanks to All

Irish Basketball Team Visit

On Friday, June 26, 2009 we were pleased to host the 18 and under International Irish boys basketball team to a cookout at the club. This was the first stop for the boys on their whirlwind New England tour. Over the course of their visit they played an extraordinary amount of games while they were here and visited many places. While they were with us, the boys first had a basketball clinic by our own Paul (The Shot Doctor) Connolly. Coach Paul put the lads through an eye-opening workout. After which they came to the hall to enjoy a delicious assortment of food. Thank you to all the volunteers who showed our true Hibernian hospitality that day. Many hands made this an easy event. The goodwill extended from the brothers and sisters of this division showed our true colors. This was particularly special to share the day with great group of young upcoming Irishmen. We were happy to be their first stop in the Boston area.

Celtic Cross 100th Anniversary

On August 14-16, 2009, a celebration was held to memorialize the departed souls of the Irish immigrants that landed at Grosse-Ile in Quebec, Canada. Our brother, Dick Thompson, helped put together this event with other brothers from across the US, Canada, Ireland, and Europe. It marked the 100th anniversary of the Celtic cross erected by the AOH at Grosse-Ile. Massachusetts really represented the US very well during this event, as we had the most delegates attending from any US state. Dick was extremely pleased to see the support from all the Massachusetts delegates and was happy that everyone had a wonderful time.

Bill Walsh Memorial Golf Tournament

Friday, October 2, 2009, we held our annual golf tournament in memory of Bill Walsh. Our committee chairman, Joe McCusker, did a great job managing this event. We had a post golf celebration back at Division 14 to celebrate the wins of the day. Thanks to Joe and to all who participated in the tournament.
