APRIL 2012 NEWSLETTER

AOH President's Message

Baseball has started so that means spring is here. Let see what the new season brings. If the Sox work hard good things will happen.

Like the Red Sox we too have to strive for excellence. The key for Division 14 is to work together to reach our goals. We can only do this if everyone contributes what they can. We have a busy schedule this month. So keep yourselves warmed up because we are definitely going to need help from the bench to reach our goals. We can't keep relying on our everyday members to hit the homeruns.

A good team gets support from the bench. We need members to step up and contribute to our goals. Imagine if a member came off the bench and came to Mass and the Communion Breakfast. That's a Homerun! Imagine if a member came out of the bullpen and got a table full of friends to come to the Comedy Nite. That's a closer! Imagine if some new members came to A Nite at the Races with a few friends and had a great time. That would get the momentum rolling and before you know it everyone starts to feel good about what's happening. This is the ingredient to a successful organization.

Before we head too far off into our Spring Training schedule, I would like to take a moment to talk about our annual Communion Breakfast. The past couple of years we have had a poor showing for this event. I want to remind everyone that this breakfast is mandated in our by-laws. For us it should be the most important event of the year. We are a Catholic organization and we need to show people that we are committed to our faith and church. Last year we had seven brothers representing our division of over 300 members. This has to change.

Become a contributor to our championship team this year! I look forward to seeing you at an upcoming event this season.

LAOH President's Message

Spring is finally here! It is time for getting out and enjoying the great weather. So in this spirit, we will be offering a 1/2 hour talk for 7 steps to a healthy heart starting at 7pm before our May meeting. I look forward to seeing everyone at our next meeting on Monday May 14, 2012.

2012 Calendars

The Gift that Keeps on Giving !!!

The calendar program is a major fundraising effort for Division 14. Calendars are a fantastic gift, because every day of the year is a chance to win! We use the first three numbers of the daily Numbers game (evening drawing). If the three digit number of your calendar matches the first three numbers of the drawing, you win the amount printed on the calendar for that day! It is as simple as that, you don't have to do anything else! Checks are sent out in the first week of the following month after all winners have been announced. January's winners are paid the first week in February, and so on.

Funds brought in by Calendar sales help the Division in all aspects, including our charitable giving. So support the club in the way that may well pay you back! Buy a Calendar for yourself, buy one for your spouse, give them for Christmas gifts. We only need the address of the person you are buying it for; they don't even have to live in Massachusetts to win!

Send in your check made out to: "AOH DIVISION 14" for \$50 per calendar to:

Past events:

St. Patrick's Day:

Last month we celebrated St. Patrick's Day on two occasions. The first was at Family Supper. Doc Prince and his crew did another great job having a wonderful Corned Beef Dinner. If you got there late you were out of luck because we had a large crowd and the food went fast. We are very lucky to have such a dedicated group to keep this supper going. It is a real value to offer our members. As you know any extra money goes to the scholarship fund. Thank you to all the servers and cooks. And a special thanks to our own M.V.P. Doc Prince.

The second celebration we had was on St. Patrick's Day. It was nice to have this day fall on a Saturday. We were able to have the festivities during the day. We have been trying to do more at the club in honor of St. Patrick. This year we had Music n' Motion play the tunes for us. Brian Costa did a great job of mixing up the music, playing tradition as well pop selections. Rather than have a dinner we offered corned beef sandwiches on marble rye bread. Brother John Donahue donated the bread and gave us a great technique to serving a hot sandwich with melted cheese. They were delicious. Thanks to J.D., Buddy Mac, Peter Daley, Jimmy Cunningham and those I missed for helping out. Let's not forget our purveyors of fine meats (The Falter Farm, Brother Dick and Evelyn Hart.)

Upcoming events:

Comedy Night-April 20th

On Friday night April 20th the Building committee will host a Comedy Night. This is a great opportunity to help the building out and see a funny show. The building committee does a super job maintaining the building and grounds. Lead by Dennis Murphy and Dan McAdam they have kept up the property at high standard while improving it whenever possible. To perform this huge task requires a good deal of money. With soaring fuel cost, utilities, minor repairs and capital improvements it's a testament to the committee that we still own a building.

Because of their dedication and hands on work we have one of the best looking buildings in Watertown. There is more to be done. They have their bucket list and they would very much like to reach their goals. This is where you can help, get a few friends together reserve a table and watch a great show. Do your part and help them continue to be a winning team. If you can't make it that night you can still be a part of the "Team" by buying a ticket. You can stop by and purchase tickets at the club, while you are there take a look at the fantastic new paint job in the lounge. If you can't make it to the club you can call Dan Mcadam@617-212-6486
